- Suggested Use: Beams, Pergola, Posts, Structural
- Species: Turpentine
- Source: Recycled
- Condition: Air Seasoned
- SKU Code: TTTTP-1315

Description: Turpentine Wharf Seat. Rare, vintage & bold. This product can be used as feature/structural beams in pergola's or house builds. But imagine how an out door deck or garden would look with these beams as a seat for friends and family. Beams can be milled to the length you desire. These samples are sanded and oiled- we are happy to do this. We can also fit feet. Call us to discuss and get a quote.

- Profile: Dressed All Round (DAR)
- Grade: Structural
- Surface Condition: Brushed
- History: Wharf demolition
